Patent protected product. For more information contact Multiquip Inc.

CLEAN & CONDITION

SlabArmor™ Plus Clean&Condition is the first product to restore and maintain polished concrete effectively. The neutral pH of the SlabArmor™ Plus Clean&Condition is ideal for removing dirt and not leaving a film. The rinse free formula safely lifts dirt without dulling the brilliance of your polished concrete floors.

Many products that are recommended for cleaning concrete are not designed for polished concrete. SlabArmor™ Plus Clean&Condition is made to clean and enhance polished concrete.

Regular use of SlabArmor™ Plus Clean&Condition will increase abrasion resistance. The chemically reactive cleaner will continue to seal and harden concrete floors, making them easier to clean. SlabArmor™ Plus Clean&Condition extends the life of polished concrete floor, reducing maintenance cost

MAINTAIN YOUR SLAB

Attain levels of sustainability while maintaining levels of gloss and reflectivity you never thought possible. Achieve results that last while reducing maintenance expenses and upkeep requirements over the life of your floor.

EarthSmart™

Our concrete solutions are environmentally neutral compositions. Finish your job secure in the knowledge these products pose no risk to crew members or the environment. A benefit on jobs with LEED requirements.

PRIMARY APPLICATIONS

- Polished Concrete
- Institutional Facilities
- Retail Showrooms
- Industrial Floor Slabs
- Hardening Cured Concrete

FEATURES & BENEFITS

- Neutral pH
- No Rinse Formula
- Non-Damaging
- Concentrated
- No Phosphates, No Sodium Hydroxides, No Butyls
- Cost-effective
- Environmentally Responsible
- Cleans resilient and non-resilient floor surfaces
